

HomeByMe Storage Experience

Transform your customers' design and purchase journey

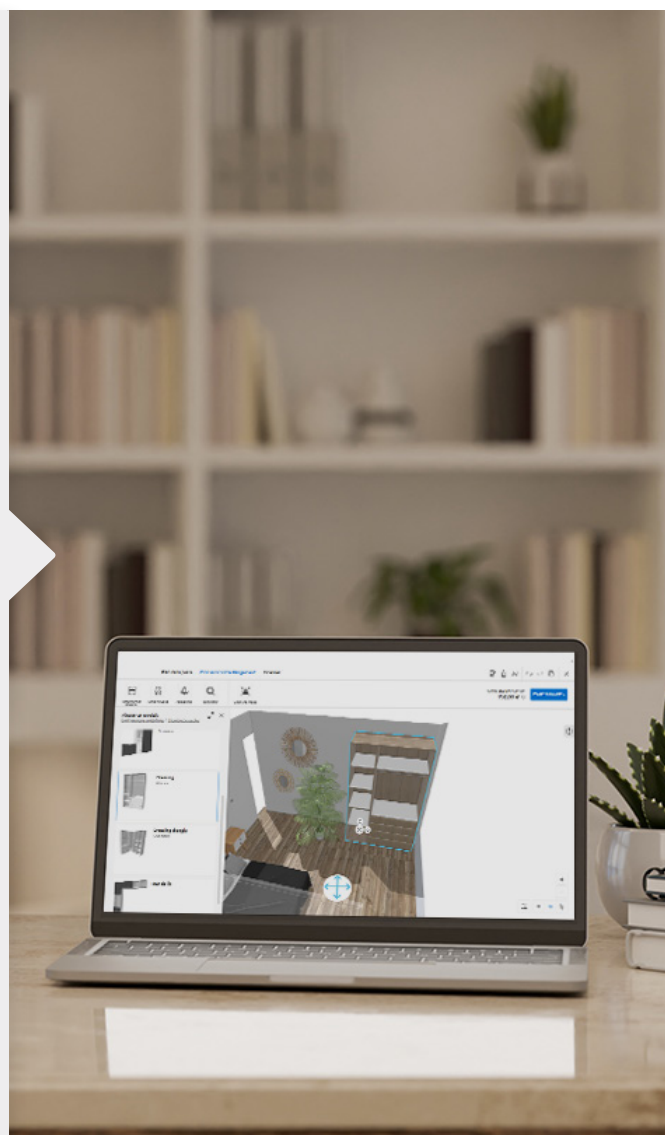

Let your shoppers turn their perfect storage design into a reality with our end-to-end solution.

Storage Experience

A suite of products tailored to the needs of storage retailers

Consumers want interior design services to be personal and creative. They have welcomed digital into most aspects of their lives, and they are ready to receive remote consulting and buy bespoke storage online.

HomeByMe Storage Experience guides your customers to virtually create and configure clever and stylish storage solutions for their individual interiors, connecting you at every stage of the buying journey. Inspire your customers with stylish storage design proposals, promote collaboration with your sales team, and accelerate the sales cycle.

Comprehensive, immersive, cloud-based

HomeByMe Storage Experience enables true collaboration between you and your customers at every stage of the storage buying journey.

What we do

HomeByMe provides a **powerful suite** of interior design, product configuration, space planning, visualization, content creation, and sales operations management, which personalizes the entire consumer buying experience.

With our **market-leading 3D space planning solutions**, businesses can introduce new ways for consumers to get inspired, evaluate their decisions, and purchase home goods. Kitchen, furniture, and DIY companies use our solutions to actively engage with consumers at every step of the purchase decision-making loop and exceed their expectations.
